EXPERIENCE

City of San Jose Public Libraries

2024

I volunteer on a bi-monthly basis by planning and executing educational events at San Jose city libraries.

Julia Robinson Math Festival

2023-2024

I volunteer during the school year to support and run math festivals at various San Jose elementary and middle schools.

Second Harvest Food Bank

2020-2024

I volunteer to pack non-perishable goods for families that are in need.

California State Parks Foundation

2020-2024

I volunteer at California State Parks to help identify and remove invasive species, maintain campgrounds, and build and maintain fences.

Pinewood School

2023-2024

I lead a lunch time math workshop twice a week for junior high students.

University of Michigan, Ann Arbor

July 2023

Selected among other qualified participants to be enrolled in the Math and Science Scholars program to study the connections between mathematics and music theory.

Law Office of John F. Bradley Jr.

2020-2024

Assisted with preparation of legal papers for service and filing, including building tables of contents and authorities for appellate briefs.

Piano

2014-2024

I've participated in multiple recitals and completed 10 levels of the Certificate of Merit with distinguished honors.

Varsity Swimming

2022-2024

I am on the varsity swim team and have qualified for league finals several times.

Competitive Swimming- Milpitas Aquatics Club

2020-2024

I've been doing competitive swimming for 4 years, and I've been steadily improving since I have started. I've had multiple A and BB times.
